CAPTAIN NATHALY

Captain Nathaly Albán took command of *Celebrity Xploration* in August 2017, becoming the first female seafarer to navigate the rich archipelago of the Galapagos as Captain in history. As Captain, she is responsible for the safe navigation of the ship and the onboard experience of its guests and crew members.

Captain Albán was only one of six women in her graduating class at La Escuela de la Marina Mercante Nacional in Ecuador. Prior to graduating, she held a variety of roles in the maritime industry, most notably serving in the FLOPEC Tanker Fleet of the Ecuadorian Navy. With a total of 12 years' experience sailing throughout the Galapagos, Captain Albán has worked on several ships in the region, first joining the Celebrity family in 2006 as third officer onboard the 100-guest *Celebrity Xpedition*.
