### DINING VENUES

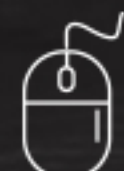

Total  
Venues  
**2**

- **Seaside Restaurant** – This spacious restaurant serves breakfast, lunch and dinner daily and features floor-to-ceiling windows throughout, offering stunning vistas to complement the mouthwatering meals they will enjoy here. Celebrity likes to refer to the atmosphere here as upscale casual.
- **Ocean Grill** – An outdoor casual dining space that offers panoramic views during the day and stunning, starlit skies at night. Here, there's every opportunity to enjoy both the destination and Celebrity's culinary expertise daily. From grilling up the highest quality, sustainable seafood from the area for lunch to what Celebrity is calling Dinner Under the Stars, Ocean Grill is the envy of any destination restaurant around.

### HIGHLIGHTED VENUES

- **Discovery Lounge** – Here, guests will enjoy presentations and briefings put on by Celebrity's own Naturalists. Guests will learn all about the activities and excursions they'll have the opportunity to participate in during their cruise. The Naturalists and crew members will guide guests in personalizing their experience in the islands to ensure their vacation is exactly what they'd hoped for.
- **The Vista** – The Vista is an open-air hideaway and the ultimate place for unwinding: exhale in the jacuzzi, sink into a luxurious, cocoon-style lounge with a favorite book (or drift off for a recharging nap), get comfortable in one of the private cabanas to enjoy cocktails with new friends, or just enjoy some quiet time.
- **Galapagos Glamping** – A once-in-a-lifetime camping experience on the top deck that allows guests to dine, drink, and even sleep under one of the most spectacular night skies in the world.
- **The Marina** – Located on Deck 3, The Marina is the primary point of access to the ship – where guests will feel like they're boarding a high-end yacht for a week of adventure.
- **Darwin's Cove** – Located on Deck 3, Darwin's Cove houses the Guest Relations area where guests will check in before heading to their suite and where they can go for any questions they may have during their sailing.
- **Stargazing Deck** – Located on Deck 8, this space is designed for looking skyward at night, but during the day it offers unobstructed, panoramic views of the islands.
- **Sunset Lounge** – The Sunset Lounge features a plunge pool where guests can slip into for a muscle-soothing soak, shaded areas to escape the rays and sunning places to catch them. This is an intimate outdoor area with cozy, eco-conscious furniture, including chaise lounges and tables that invite guests to sink in and reflect on the day's activities, gaze at the views, and enjoy their favorite beverage or cocktail.
- **Observatory** – Not only is there a library, but there's an inviting area to cozy up with books they chose from the library. The space is surrounded by floor-to-ceiling windows, so stunning views surround guests and make them feel connected to the environment.
