

CELEBRITY CRUISES ANNOUNCES 2023

ALASKA SUMMER SAILINGS

Where Extraordinary Beauty and Ultimate Luxury Go Wild

Travelers to "Journey WonderFULLSM" on 7-night itineraries filled with an array of stunning ports, luxurious onboard experiences and Cruisetour extensions

MIAMI (Oct. 12, 2021) – Globally renowned for pioneering new-luxury travel at sea, Celebrity Cruises announced today plans for three award-winning ships to return to Alaska for the 2023 Summer season.

Sailings will begin on May 3, 2023, and run through mid-September, visiting some of the most unforgettable destinations, including visits to the majestic glaciers of the Inside Passage on every itinerary. Additionally, every journey will give guests the chance to learn more about the culture and history of the Last Frontier, from the native Tlingit people to the gold rush days that brought adventurers and fortune seekers to the wilds of Alaska.

The new 2023 Alaska sailings open for sale to the general public on Thursday, Oct. 14, 2021, and more information is available at www.CelebrityCruises.com/2023-2024-cruises.

Highlights of Celebrity's 2023 Alaska season include:

- Sailing roundtrip from Vancouver and passing through the Inside Passage not once but twice, **Celebrity Eclipse** will offer seven-night itineraries to Hubbard Glacier, one of the most phenomenal natural sites on any coast. The itinerary also includes visits to Juneau, Ketchikan and either Sitka or Icy Strait Point.

- With seven-night itineraries sailing roundtrip from Seattle and one nine-night Ultimate Alaska voyage, **Celebrity Solstice** is the only Celebrity ship to visit the pristine Endicott Arm Fjord and Dawes Glacier, complete with breathtaking views and gushing waterfalls. Additional stops include visits to Victoria, Juneau, Skagway and Ketchikan.
- **Celebrity Millennium**, recently “revolutionized” as part of the brand’s \$500 million dollar project to reimagine many ships within the fleet, offers the opportunity to see a little more of Alaska by sea with seven-night, open-ended itineraries between Vancouver and Seward, one of the region’s oldest and most scenic communities at the gateway to northern Alaska. An exciting multi-night Cruisetour can be added to these sailings to journey deeper into the heart of Alaska giving guests the chance to get up close to Denali, North America’s tallest peak.

Adding a Cruisetour before or after a Celebrity cruise provides guests the chance to explore more of Alaska. Offering nine- to 13-night Cruisetours in 2023, Celebrity’s guests stay in first class lodging, ride the Wilderness Express and visit incredible destinations such as Homer, Anchorage and Fairbanks.

Every Luxury Covered

Simplifying the luxury holiday experience, Wi-Fi, drinks, and service charges are now ‘[Always Included](#)SM’ on every Celebrity cruise.

About Celebrity Cruises:

Celebrity Cruises’ iconic “X” is the mark of a fleet of 14 award-winning ships redefining luxury cruise travel with cool, contemporary design and accommodation; dining, spa, and entertainment experiences for modern tastes; and culturally rich and diverse destination experiences, all complemented by warm, personalized service. Celebrity has pioneered many industry firsts at sea, including the first use of solar panels on a cruise ship; the first to eliminate the use of plastic water bottles; the first American female captain of a cruise ship; the first-ever all-female bridge and officer team sailing; the first West African woman to work on the bridge of a cruise ship; and one of the first legal same-sex weddings performed at sea. Driven by wanderlust and a passion for opening the world, Celebrity journeys to all seven continents, visiting nearly 300 destinations in more than 70 countries. Celebrity Cruises is one of five cruise brands operated by global cruise company Royal Caribbean Group. (NYSE: RCL).

Celebrity Cruises is applying the recommendations of the [Healthy Sail Panel](#) of public health and scientific experts to provide a safer and healthier cruise vacation on all of its sailings. Health and safety protocols, regional travel restrictions and clearance to visit ports of call, are subject to change based on ongoing evaluation, public health standards, and government requirements.
